BUREAU OF ENERGY EFFICIENCY

(Government of India, Ministry of Power)

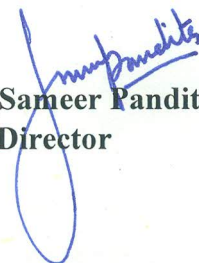

26th November, 2020

Important Instructions to all manufacturers/permittee registered under S&L program for Chillers

Manufacturers may kindly note that while submitting any application for registration under the Chiller product category, the test data has to be submitted in AHRI format for Air cooled/Water cooled chiller products on **Page 2: Testing Document Details** of the BEE's online application form in addition to the selection software test report being submitted as per the current practice.

The requisite AHRI format for Air cooled/Water cooled chillers may be downloaded from **Page 1: Equipment Registration** of the BEE's online application form.
