**ADVISORY**

ऊर्जा दक्षता ब्यूरो (बीईई) मानकों और लेबलिंग कार्यक्रम के तहत उपकरणों के सभी निर्माताओं और परमिटधारियों के लिए महत्वपूर्ण निर्देश।

**Important instructions to all Manufactures & Permittees of Appliances under Bureau of Energy Efficiency's (BEE) Standards and Labeling Program**

This is with reference to the appliances covered under BEE's Standards and Labeling (S&L) Program. The S&L program levies a labelling fee for the appliances registered in the program and each appliance has a separate labelling fee per unit/piece of the appliance.

This is to inform you that the labelling has been revised for **voluntary appliances/equipment** under BEE's Standards and Labeling (S&L). The revised labelling fees, as approved by the Ministry of Power, are attached at **Annex – I**.

This revised labelling fee shall come into force with effect from **01.04.2024** till further notice.

For the permittees of those appliances/equipment whose labelling fees have been increased, the difference of labelling fees payable shall be reflected in the portal as the previous outstanding balance and they need to pay to outstanding labelling fees in the portal along with other applicable labelling fees.

**परमितियों से अनुरोध है कि वे इस परामर्श के संबंध में आवश्यक अनुपालन करें।**

**Permittees are requested to make necessary compliance with regards to this advisory.**
