Important Instruction to all LED Lamps Manufacturers and Permittee

This is with reference to the S.O. 4097(E) dated 28th December, 2017 regarding LED Lamps mandatory star rating program.

The validity period of the existing star rating plan of LED Lamps has been extended till 31 December, 2019.

Please Note: "Already approved models of LED Lamps may use & affix the revised label (with Label Period from 1st January, 2018 to 31st December, 2019) on the LED Lamps and need not to take fresh approval from BEE to do so.

However, while applying for registration of new models of LED Lamps, applicant must submit fresh application to BEE as per the criteria laid down along with revised label displaying new label period."

The CDR file format of the revised label is available on www.beestarlabel.com.
