

ADDENDUM

This has reference to the instructions issued (dated 18/05/2015) on S&L web portal for manufacturers of star labelled electric water heaters. The said instructions shall be read in conjunction with following:

*"The models manufactured after 1<sup>st</sup> July 2015 must be complied with Table 3 and existing lying market stock of water heaters, may be available in the market with star label complied with Table 2. However, manufacturer & its supply chain must ensure that such stock should be vanished (as it deems fit) from the market gradually as early as possible".*
