

3rd February, 2015

Submission of Test Reports for Model registration under S&L Program

In continuation to the notice dated 02/07/2014 regarding submission of test report from NABL accredited laboratories with effect from 1st December 2014; the following criteria's shall be applicable.

a. Acceptance of Test Report for the laboratories located in India:

- Relaxation shall be provided only to those manufacturers who applied for the NABL accreditation before 01.12.2014, provided they submit the NABL - acknowledgment copy along with the application.

b. Acceptance of Test Report from Overseas Laboratories:

- BEE shall accept the overseas lab test report for imported models only if it satisfies the following criteria's:
 1. International laboratory shall be accredited by the accreditation body of respective country and the accreditation body shall be the member of ILAC/APLAC.
 2. International laboratory shall be accredited under scope of IEC/ISO 17025.
 3. Scope of accreditation shall cover the relevant IS standard or ISO/IEC, as applicable or any other standard accepted by BEE as mentioned in the relevant appliance schedule.
 4. Scope of accreditation shall also include all relevant tests as specified in the respective appliance Notification/schedule.

Above mentioned criteria's shall be applicable with effect from 1st April, 2015 for the permittee's who shall submit the test reports from overseas laboratories.
